A WORD TO OUR LEGISLATORS.

We hope our Legislators will enjoy their new official home, and that in return for the honor and the home they will do their whole duty to the Commonwealth.

After the election of judges, and we are glad to know there has been no unseemly canvass for any one of the high and honorable positions; attention to the Torrens System; the wants of the public schools and public roads should command first place and after these have properly been cared for adjournment would be in order.

Virginia has all the laws necessary for years to come and there is no need to burden our law books with useless ones, and it would be well to look out to schemes as they are sure to be on hand. So far as we are concerned we would be glad to have the Barksdale Pure (?) Election bill wiped out of existence. We never could admire the author politically, and have no respect for his work of purifying politics. It don't seem to reach the politician.

Let the state debt alone and be sure not to order suit vs. West Va. Let another deal with that wayward child

These things done and we will all be ready to say, "well done."

How about those New Year resolutions now?

There is no reported joke from "Chauncey" since the New Year opened.

There is room in Virginia for 20,000 English laborers, but not an inch for pauper or loafer.

France and Germany are growling at each other, but the fighting Czar should see to it that it ends in a growl.

The day for Miss Roosevelt's marriage has been announced the 17th of February at high noon, but that popular subscription project is as dea as it ought to be.

That remarkable man, Wm. Jennings Bryan, is attracting the attention of earth's potentiates in his trip around the world and is easily the most conspicuous private citizen among the sons of men.

The old, old cry of "bad roads" is again heard in the land. But somehow we prefer to put through the mud rather than pull at our purse strings.

The negroes demand their separate schools and churches, and should be allowed the privilege of separate rooms in all railway depots. The Legislature will look to this very soon.

Now that Judge Watkins has retired gracefully from the race Judge Hundley will be re-elected without a dissenting voice. This will be the most acceptable to the people of the Circuit, and to a large majority of the lawyers who practice in the Courts over which he presides with dignity, ability and fairness.

Congress has hit the no pass departure on the part of the railroad, a stunner to start with, by cutting the appropriation for carrying the mails to the tune of six millions. Now apply the rebate remedy in such proper doses as will stand before the Federal Judges, and we have our doubts about the patients recovery. Any how we watch the fight with interest.

The Autorities of the Jamestown Exposition have collected in full amount from Virginia, promises are pouring in from home and abroad and the people are growing a little anxious to know what is being done to make ready for the show. Some one should arise to relieve that anxiety. The year 1906 will soon join it's long line of predecessors in the realm of dull years, and we will be brought face to face with the demands of 1907.

Major Dooley would look the President's rebate—"gift horse in mouth." His reasoning, we confess is startling to us. Of course we agree with him that the South has suffered grievously at the hands of the North since the war but that this legislative check and control of railroad charg s could be turned or twisted into another act of injustice we had not so much as conceived of. We can only hope that the Major's fears are without foundation.

What think you of 1906 anyhow?

We are glad to welcome Mrs. Gould as land owner in Va., as we have already welcomed Mrs. Roosevelt in like capacity. They have chosen wisely and well, and our hope is that others will follow their example.

Seldom is it the good fortune of the people of Buckingham C. H. to attend a more delightful reception than the one given at the Moyaville Hotel by Col. Fawcett to his son and his son's bride on the evening of December 30th.

The groom, Mr. Allen King Fawcett is cashier of the Buckingham Bank and by his uniform courtesy and pleasing manners has made himself quite a favorite here.

The bride, who was Miss Bessie Stone, of Georgia, has already won the hearts of the people by her sweetness of disposition and loviness of character.

It was a scene of resplendence and gaity, the happy hours filled to overflowing with mirth and merriment moved on too quickly.

The reception committee, consisting of Miss Minnie Ellis, Mrs. G. L. Morriss and Mrs. J. B. Nowlin very graciously introduced the guests to the bride and groom. After music and dancing delightful refreshments were served by Misses Hubard, Moss, Spencer and Fitzgerald and everything passed pleasantly leaving no ripple of displeasure.

The guests were Mr. and Mrs. Richard Ellis, Mr. and Mrs. Frank Spencer, Mr. and Mrs. T. B. Hall, Dr. and Mrs. G. L. Morriss Mr. and Mrs. J. H. Fitzgerald, Dr. and Mrs. J. B. Nowlin, Mr. and Mrs. P. A. Grigg, Mr. and Mrs. LeRue, Mr. and Mrs John Pierson, Mrs Pase, Mrs. Valter Garnett, Mrs Pierce, Mr. A. C. Garnett, Mr. Miles, Mrs. Fisher, Misses Lucy, Fannie, Mary, Marvin and Trent Pratt, Minnie Ellis, Annie Irvine, Barra Hubbard, Rosa Mosely, Florence Taylor, Mary and Appling Most, Alice Spence, Alice Hickok, Mary Housewright, Bessie Rosen and Messrs. Frank Swoope, T. B. Hall, Jr., Edward Glover, Millman Pease, Russell Hugh, and Jack Moss, Lynch, Fones, Wheatley, W. P. Ellis, Robt. Rice, Wiley Hubard, E. W Hubard, Sidney Puryear, C. S. Spencer, James Spencer, Robert Morriss, Thomas H. Rice, Tom Grigg Judge John R Moss and P. A Grigg and C. I. Fawcett.

Mount Vinco.

The old year passed off quietly. It always makes us feel sad to see the closing of the old year. To look back and count some dear friends who were living last year but today they are beneath the sod.

Mrs. Mary Bayard, wife of Charlie Bayard, died at her home on December 19th, of consumption, from which she had been a long sufferer. The deceased was a kind lady with a fine christian character She leaves a husband and seven children to mourn their loss.

Mrs. W. A. Maxey spent several days with her mother during Xmas.

Mr. Claude Parks, of Richmond, has been visiting friends and relatives here.

Mr. Frank L. Crews, of Lynchburg, paid a visit to his parents during the holidays.

Mrs. Fitzpatrick has moved back in this neighborhood, much to the delight of her many friends.

Miss Eva Maxey visited her friends at Mount Vinco last Saturday.

Chamberlain's Cough Remedy the Best Made.

"In my opinion Chamberlain's Cough Remedy is the best made for colds," says Mrs. Cora Walker of Fo terville, California. There is no doubt about its being the best. No other will cure a cold so quickly. No other is so sure in preventing pneumonia. No other is so pleasant and safe to take. These are good reasons why it should be preferred to any other. The fact is that few people are satisfied with any other after having once used this remedy

First. It means a tremendous amount of extra storage room—the use of valuable space for which we pay rent. It means filling scores of great packing cases with winter suits and coats, woolen underwear, winter dress goods, and the like. It means packing these goods to protect them from moths or dust or ruin. No way such where you considera whole store full of merchandise. It means hundreds of dollars and cents tied up for six months or more and the loss of earning power or interest on that money. Every Two Minutes

Physicians tell us that all the blood in a healthy human body passes through the heart once in every two minutes. If this action becomes irregular the whole body suffers. Poor health follows poor blood; Scott's Emulsion makes the blood pure. One reason why

SCOTT'S EMULSION

is such a great aid is because it passes so quickly into the blood. It is partly digested before it enters the stomach; a double advantage in this. Less work for the stomach; quicker and more direct benefits. To get the greatest amount of good with the least possible effort is the desire of everyone in poor health. Scott's Emulsion does just that. A change for the better takes place even before you expect it.

We will send you a sample free.

Miss Emma Proehl died in Lynchburg last Friday the 5th January 1906. She was 19 years of age and was a kind and considerate young lady with many admirable traits of character. She was the daughter of E. G. Proehl, who lived in this county for many years and who owns now a home near Pamplin City, at which place the remains of the deceased were interred Sunday. There were quite a number of friends of the family present at the services and Rev. P. T. Warren officiated.

Pamplin City.

The holidays over, business has been resumed along all lines with increased activity. Notwithstanding the best fall and holiday trade in history of the town. The month opens up with good business. The town which has heretofore done a large business for it's size is on a steady advance.

The tobacco market at Pamplins is no venture but an established enterprise, the highest mark being reached in prices this week. We give you below a few figures for the benefit of some of your readers whom we would induce to leave other markets.

Right in the heart of one of the best dark tobacco belts of the state our home market means much to the farmers.

Below are a few accounts of sales during the past week.

S. H. Martin 445 pounds at $6.70 235 pounds at $10.75; 315 pounds at $14.00; B. T. Jamison 280 pounds at $5.50; 270 pounds at $8.00; 275 pounds at $9.00; 220 pounds at $12.25.

C. D. Cawthorn sold a load with following prices: $5.80, $10.75, $22.50 Gibson & Harris $5.00; to $16.75; J. A. Brightwell, $5.80 to $12.75; Morton & Davis $4.80 to $13.75. Friday January 5th 26435 pounds were sold at an average, $9.10 and on Saturday 1, '06 19475 pounds at average price of $9.62.

Farmers, the Pamplin market is the place to sell your tobacco—short haul and long prices.

The State Bank of Pamplin opened a short while ago and has been doing a good business. Your correspondent will have some interesting figures in regard to it's work, next week.

Pamplin has a splendid back country to support any enterprises, and our people are realizing the importance of having right in our midst a good market on which they can not only dis ose of all their produce at good prices, but find anything they want at prices much cheaper than in city markets, considering the expensive trips to same.

No town in the State can boast of better health, and with the continued use of capital, which is being judiciously spent here Pamplin will ere long be one of the foremost towns of the State.

Work has already begun on the improvement of the streets.

With good side walks, good lights and strict attention by our municipal authorities to the sanitary conditions, our town will attract many home seekers.

Many capitalists from north and west are coming to our section and we extend to them a cordial welcome with the assurance of our co-operation.

We need a newspaper in our town. Did it ever occur to you Mr. Editor that you might do good business here?

It is a well known fact that cotton, of any other crop, produced with Virginia-Carolina Fertilizers will bring the highest possible price on the market. Make healthy, strong plants, well developed, early maturing, with full grown bolls on the fruit limbs at the base as well as all the way up to the very top and tip ends of the branches of the cotton plants, by using

Virginia-Carolina Fertilizers.

They contain all the materials necessary to supply to your land the elements which have been taken from it by repeated cultivation year after year. Virginia-Carolina Fertilizers will bring the highest possible price on the market. Insist upon getting them. Don't accept substitute from your dealer.
